SIOP—Sheltered-Instructional Observation Protocol

This PD was provided by FB Consulting to all instructional staff members to plan and deliver lesson plans to ELL students to help them acquire academic language and build language proficiency. The goal of this workshop was to equip teachers with strategies to help support all the ELL students across the subject areas.

August 2015

Culture Links:

This PD was provided by Huda Essa as part of our diversity and cultural sensitivity training for teachers. Culture Links training gives teachers a unique perspective to the teachers so that they can have a better framework of the community that they will be serving. The primary goal of this PD was to help teachers engage in culturally responsive teaching practices.

August 2015

4 days of IObservation—Teacher Evaluation

This PD was provided by Marzano Learning Sciences. This was part of a Phase II training session where teachers engaged in 4 days of comprehensive understanding of the Marzano teacher evaluation system. Dr. Schmidt focused on learning maps to help teachers design standards-based learning objectives. The primary goal of this workshop was to help teachers use the lobservation tool as a means to improve their teaching craft with the use of reflective and deliberate teaching practices.

1 day of IObservation—Administrators

Sept-June 2015-2016

WIDA Alignment

This PD was provided by Azra Ali in quarterly ELL team-meetings to help deconstruct the WIDA standards. ELL teachers learned to unpack the WIDA standards and use the standards to create effective lesson plans.

November 2015

Daily 5

This PD was provided by Azra Ali to all 6-8 ELA teachers to help teachers incorporate a center-based learning environment to support the Guided Reading Model.

November 2015

Guided Reading

This PD was provided by Azra Ali to all 6-8 ELA teachers to help teachers incorporate Guided Reading strategies as part of the reading improvement plan. Teachers learned about small group differentiation based on reading assessments.

Guided Math

This PD was provided by Azra Ali to all 6-8 math teachers to help teachers incorporate Guided Math strategies as part of the math improvement plan. Teachers learned about small group focus on math skill-building with the use of technology supplements and

Guided Writing

Instructional Coach attended a two-day, Train-the-Trainer Workshop by Bureau of Education Resources. This workshop provided hands-on experience on delivering writing workshops to other teachers. This PD was utilized in Curriculum Development initiatives and later in other turn-key opportunities.

Data Analysis Workshops (Oct-Dec, 2015)

In this workshop, teachers used STAR Math, STAR Reading and DRA data to group students in Guided Reading and Guided Math groups.

Textbook Review (March 2016)

In this workshop, all K-8 math teachers explored variety of textbook programs to provide feedback on their recommendations for the Textbook adoption.

Marzano Annual Conference (June, 2016)

Instructional Coach and School Leader attended the Marzano Conference on Building Expertise. This was a two-day conference focusing on teacher evaluation, formative assessments and building instructional capacity. There was a turn-key training provided to all the teachers after the June training in reference to the workshops attended.
